NOTICES OF MOTION

REPORT OF TRADE, INDUSTRIES, TOURISM AND WILDLIFE COMMITTEE ON VISIT TO RAPIDS CAMP, SAGANA

Hon. Charles Kirigwi: Thank you Mr. Speaker sir, on behalf of my committee, I wish to give notice of the following motion;-

That, this House adopts the Report of Trade, Industries, Tourism and Wildlife committee on a visit to the Rapids Camp, Sagana.

Thank you Mr. Speaker sir.

MOTIONS

ESTABLISHMENT OF THE MURANG'A YOUTH ASSEMBLY

Hon. James Kagoni: Mr. Speaker sir, the motion before the House this afternoon is based on Article 10 of the Constitution on public participation as well as Article 55 that provides for the Bill of Rights and emphasises on youth affirmative action programs to ensure their participation in political and social-economic scopes of life.

Mr. Speaker sir, even before I move this motion, the idea is to ensure that the youth are well involved in their matters. It is sometimes becomes very difficult, especially for me as their representative, whenever I need to hear the views of the youth from places such as Kariara, Mioro, or Ithanga, because there are no specific people I can call or even contact. Since this House has a committee on youth, it would be very easy if we could have a category of young people nominated by the respective area Members of County Assemblies (MCAs) to be forwarding submissions whenever the youth have issues they would want addressed. They can always forward their submissions to me or to the committee that deals with the youth in this House and their issues will be attended to. Basically, that is the intent and purpose of this motion. However, after consultations with the members, I request that I withdraw this motion so that we can consult further and, maybe, attend to it next week depending on the schedule. Thank you Mr. Speaker, Sir.

The Speaker: Hon. Members, I do not like withdrawal of motions in the House at the time when they are being moved. However, Hon. Kagoni did see me about this motion and when I looked at it, I saw his reason of wanting to withdraw it; because the way it is worded could bring some constitutional and legal complications and also has potential to be misunderstood. For that reason, I agreed that he can withdraw the motion on the floor of the House. Next

ADJOURNMENT

The Speaker: That being the position, the House is adjourned until tomorrow at 2:30 p.m.

The House rose at 2:44 p.m.
