Hon. Peter Mweri: Thank you Madam Speaker, I wish to tender apologies to this House and the petitioners for not tabling the Committees Report in the period assigned. We have gone through all the stages required to Table the Petition. During our last visit on 21st May 2019, the Committee uncovered matters related to the Petition that requires the Committee's attention urgently. The Committee resolved to seek extension of time to handle the matter at hand. We visited the site yesterday and there are many grey issues we need to address we request we be given at least 14 working days so that we can Table the said Report.
Thank you.
