

REPUBLIC OF KENYA
MURANG'A COUNTY ASSEMBLY
THE HANSARD

Wednesday, 12th February 2020

The House met at 3:00 p.m.

[The Speaker (Hon. Nduati Kariuki) in the Chair]

PRAYER

COMMUNICATION FROM THE CHAIR

AFTER RECESS NOTE

The Speaker (Hon. Nduati Kariuki): Honourable Members welcome. It gives me great pleasure to welcome you all to the third session of the Assembly and the year 2020. Just to mention it, we were not ready to use this premises because official handing over has not been done. I am told that we got a technical problem with our old chamber so we could not use it; that is why we are in this new chamber and we are just practicing using it.

As you are all aware, during our recess the County mourned the passing on of one of the great sons of Murang'a; Hon. Dr. Charles Wanyoike Rubia. He was one of Kenya's most influential makers of history, an extra ordinary diplomat and visionary leader. It is through his efforts together with many others that we enjoy the visible fruits of multi-party democracy in Kenya.

In honour of the dedicated service rendered to the County and the country by the late Hon. Charles Rubia in his various capacities, I request that we all rise up in our places and observe a moment of silence.

(Members rose up and observed a minute of silence)

The Speaker (Hon. Nduati Kariuki): May his soul rest in eternal peace.

Honourable Members, on February 4, 2020, Kenyans received the sad news of the passing on of the retired President, Daniel Toroitich Arap Moi, the second and the longest serving President of the republic of Kenya. The late *Mzee* Moi served us as an educator, a teacher, a legislator, a Cabinet minister, the vice-president and finally as the President of the Republic of Kenya.

As one privileged to have worked in his government as an Assistant Minister in the ministries of Agriculture and Finance and Economic Planning respectively, I remember the former President as a statesman and a Pan- Africanist. His contribution to nation building and promotion of peace in Africa and the world through his renown philosophy of Peace, Love and Unity and repealing Section 2(A) of the Constitution to create room for multi-partyism will remain as part of his great legacy.

Cognizant of the presidential proclamation of February 4, 2020, communicating the passing away of the retired President Moi, and the declaration that the nation observes a period of national mourning until the day of his funeral, I request that we all be up standing to observe a one minute moment of silence in honour of our fallen hero.

(Members rose up and observed a minute of silence)

The Speaker (Hon. Nduati Kariuki): May his soul rest in eternal peace.

ADJOURNMENT

The Speaker (Hon. Nduati Kariuki): Hon. Members, before we adjourn there is just one very small point I would like to mention. I know we are all learning and I would like to mention this very minor point, for the sake of parliamentary etiquette and good manners, when you mention your name and introduce yourself, you do not introduce yourself as Honourable so and so. Other people should refer to you as Honourable, but you do not refer to yourself as Honourable. You just say "I am Nduati Kariuki" but if somebody is talking about you, he will say Hon. Nduati Kariuki. It is a very small point but it is good that you learn because you may go elsewhere and people may find it a bit odd when they hear someone calling himself Honourable. Thank you very much.

Now the House adjourns until tomorrow 2:30 p.m.
