**8\* MOTION - ESTABLISHMENT OF LIVESTOCK MARKET**

*(Hon. Ann Kigo- Nominated MCA)*

**AWARE**, that trade development through establishment of markets is one of the devolved functions of County Governments under the Fourth schedule of the Constitution of Kenya, 2010, further aware that livestock markets play a significant social, economic and cultural roles in rural livelihoods, recognizing that livestock are a crucial asset and safety net for rural households, concerned that the residents of Kinyona Ward, in Kigumo Sub-County do not have a livestock market where they can trade their diverse livestock species, appreciating that establishment of such a market would not only boost socio-economic activities in the area, but also contribute to local revenue to the County Government through market fees; **this Honorable House**, urges the County Executive Member in the department of Trade, Industry and Tourism;

1. To designate a space for establishment of a livestock market in Kinyona Ward.
2. To fence the market, put up a gate and construct animal holding structures/sheds.

9. Bills.
