AWARE that the issue of Youth unemployment has been on the increase in our County, cognizant of the fact that the County Government spends a lot of money in procuring services for road construction, further aware that in the sector of road construction and mainly for both the classified and unclassified roads there are categories of work that could be reserved for the Youth to be categorized as labour based works which include activities such as setting out of

the road, grubbling & stripping, ditching, slopping, building of scour checks, gabions, check dams, installation of culverts, bush clearing, tree uprooting, Road camber formation, spreading of materials among others; This House urges the County Executive to follow the National Government Circular on unbundling of procurement and engage the young people with knowledge on labour based works in roads construction with an aim of reducing an employment among the youth in Murang'a County.
