8* MOTION – (Hon. Charles Mwaniki Karina, MCA Township Ward)

AWARE that County transport which includes street lighting is a devolved function as stipulated in Part 2 of the Fourth Schedule of the Constitution of Kenya, 2010, further aware that urban centers in Murang'a County are faced with high cases of insecurity experienced at night including mugging of the residents and burglary of the various premises, recognizing the fact that this has been caused by lack of street lighting system in these urban centers, lack of proper fitting of security lighting systems and poor functioning of the existing ones on various premises; **this** House urges the County Executive Member for Transport and Infrastructure to develop a policy on lighting of streets and urban centers including the requirement that all public and private buildings shall be fitted with security lighting systems.
