

REPUBLIC OF KENYA
FIRST ASSEMBLY- (THIRD SESSION)
MURANGA COUNTY ASSEMBLY
VOTES AND PROCEEDINGS
THURSDAY, APRIL 30, 2015

1. The House assembled at Thirty Three minutes past Two O'clock
2. The proceedings were opened with a word of Prayer
3. **PRESIDING** - The Speaker (**Hon. Leonard Nduati Kariuki**)

4. COMMUNICATION FROM THE CHAIR

“Hon. Members, today the Leader of Majority will be moving a Motion of Adjournment as per our published calendar so that we have a recess of about three weeks. The most important agenda we would have liked to have completed before adjourning for this recess is to have received and processed the budget as per the timelines set by the law.

Most regrettably, however, we have not as of now received the budget from the County Executive Member for Finance and Planning. This is despite our various warnings that things are not going to be as usual and that we want more efficiency, both within the Executive and in this Assembly in order that our operations are dealt with as per the deadlines given by the law. So, that is the position that we have not yet received the budget.

It is our hope that, somehow, we can deal with the budget as soon as possible provided that when it comes to this Assembly, it will have been properly checked by the Executive to make sure that it abides with all the relevant laws because there is no use of having a budget that is illegal and which does not abide with the relevant laws, including the PFM Act Sections 125 and 129 and the resolutions adopted by the County Assembly on the County Fiscal Strategy Paper the County Integrated Development Plan (CIDP) including all other national or even local laws that have been passed by this Assembly”

(Applause)

The Clerk is, therefore, advised to contact the County Executive Member for Finance to make him aware that we shall not be receiving any budget which does not abide with the law.

(Applause)

AWARE that Article 43 (d) of the Constitution of Kenya 2010 states that every person has a right to a clean and safe water in adequate quantities which includes the right to have water in adequate amounts for basic needs, further aware that Part 2 (11) of the Forth Schedule of the Constitution of Kenya 2010, recognizes the role of the County in Water and Sanitation Services, cognizant of the fact many waters users within the County in the upper regions have unfair advantage of excessive and uncontrolled usage of the scarce water resources denying many households in Murang’a County who live downstream go without water; this Assembly urges the CEC in-charge of Environment and Natural Resource to formulate a policy on protection and control of the water usage upstream by encouraging the County Water providers to install water meters in all homes in the County to ensure adequate water supply for basic needs of the residents downstream.
