**NOTICE OF MOTION**

FORMULATION OF A POLICY FRAMEWORK FOR COUNTY LIBRARIES

**Hon. John Gitau:** I wish to give the following notice of motion,

AWARE that Article 53(1) (b) of the Constitution of Kenya, 2010 which gives right to compulsory basic Education, noting that education is largely a National Government function under part one of the fourth schedule of the Constitution of Kenya 2010 , Further aware that library services is a devolved function under the fourth schedule of the Constitution of Kenya , 2010, recognizing that it is the responsibility of the government to provide reading materials in all public schools, considering that there are many households in Murang'a County that live in absolute poverty and therefore school going children from the said abject poor families cannot afford educational materials including books, past papers and magazines, further considering that the core business of the said basic educational institutions is to impart knowledge to all, recognizing that many such institutions do not have enough course books, cognizant of the fact that, children from both the rich and poor families need to be given equal opportunities; this House urges the County Executive Committee member in charge of Education and Technical Training to;

1. Formulate a Policy framework for County libraries in every Sub County.
2. Formulate a program for establishment of the County libraries in each Sub County in Murang'a.
