

NOMINEES FOR APPOINTMENT TO THE OFFICE OF COUNTY EXECUTIVE COMMITTEE MEMBERS
MURANG'A COUNTY

ALBERT MWANIKI NDUNG'U

DOB – 1974

**Nominee for Appointment to the Office of County Executive Committee Member for Agriculture,
Livestock and Fisheries**

Mr. Albert Mwaniki Ndung'u holds a Bachelor of Science Degree in Agriculture and Home Economics from Egerton University and is currently undertaking a Master's Degree in integrated Soil fertility management at Kenyatta University. He also holds a certificate in quality management system and audit techniques from the House of Quality in South Africa.

He has over 21 years of experience in Agriculture and Agribusiness. Notably, Mr. Mwaniki has worked as the regional manager for East African Growers Limited.

In other capacities, Mr. Mwaniki has served as;

- ✓ The chairperson for the Intergovernmental Thematic Working Group on Projects and inputs under the Intergovernmental Relations Act.
- ✓ The technical specialist for World Vision Kenya.
- ✓ An agronomist at Frigoken Limited.

He was appointed as the **County Executive Committee Member for Agriculture, Livestock and Fisheries** in the County Government of Murang'a from the Year 2013. He served in that capacity until the end of the 5 year term of the County Government.

His major achievements as the CEC Member for Agriculture, Livestock and Fisheries included;

- ✓ Provision of certified hybrid and composite planting materials and inputs to farmers.
- ✓ Formulation of relevant policies on agriculture, livestock, fisheries and irrigation programs.
- ✓ Preparation of the County Integrated development plans and the Annual Development Plans among other achievements.

2. CECILIA MUTHONI KIBE (Mrs)

DOB – 1957

**Nominee for Appointment to the Office of County Executive Committee Member for Environment
and Climate Change.**

Mrs. Cecilia Muthoni Kibe holds a Master's Degree in Sociology and Community Development from the University of Nairobi, a Bachelor of Science Degree in Agriculture and a Diploma in Animal Husbandry from Egerton University.

She holds over 20 years of experience in Agriculture, Environmental Conservation and Climate Change having worked with the Ministry of Agriculture and livestock development where she rose through

the ranks to the level of Senior Livestock Officer. She is currently the Managing Director of the Kenya Climate Change Justice Women Championships (KCJWC), a community based organization whose main objective is to build resilience on the effects of climate change.

She was instrumental in the development of the climate change action plan, the climate change policy and the now Climate Change law. She contributed to the Country's Position Paper (Gender component) during the United Nations Framework Convention on Climate Change (UNFCCC) negotiations.

Internationally, Cecilia Muthoni has in the last 7 years represented the concerns of the grassroots communities in Kenya in Gender and Climate Change discussions. She continues to undertake short-term assignments in monitoring and evaluation, impact assessment and baseline surveys in Kenya in matters environment and climate change.

She has a strong passion towards mitigating the effects of climate change to vulnerable groups in the society mainly the women and the children.

3. ENG. AMOS KURIA NJOROGE

Nominee for Appointment to the Office of County Executive Committee Member for Roads and Public Works.

Eng. Amos Kuria Njoroge holds a Bachelor's Degree in Civil engineering from the University of Nairobi. He is a registered engineer with the Engineers Registration Board (ERB) and is also trained on disaster preparedness.

He holds over 19 years of experience in civil engineering having worked for Hass Consult, an engineering firm in Botswana from 1999 to 2005 where he was engaged in design and supervision of various works. During his stay in Botswana, he was involved in the lead engineering team in design and tender documentation for the upgrading of Old Naledi Infrastructure which involved the construction of road network covering 400 km, sewer and water reticulation, street lighting and storm water drainage.

He was appointed by the Governor of Murang'a County, Hon. Mwangi wa Iria to the Office of County Executive Committee Member for Energy, Transport and Infrastructure. A position he held from 2013 to the end of the first term of the County Government.

Locally he has also involved in community based projects specifically the Ragia Community project.

He is married and two children
