## **7. COMMUNICATION FROM THE CLERK ON THE PROCEDURE OF ELECTING THE SPEAKER**

The Clerk of the County Assembly of Murang'a issued the following Communication-

Hon. Members, Standing Order No.6 provides: "A Speaker shall be elected when the County Assembly first meets after a general election and before the County Assembly proceeds with the dispatch of any other business, except the administration of the Oath or Affirmation of office to members present." Hon. Members, this is what we have just undertaken.

Hon. Members, pursuant to the Standing Orders, a number of activities were required for the election of the Speaker before this first sitting. I will proceed to detail each such activity and the manner in which we have complied with the standing orders.

Firstly, Standing order no.7 (1) requires: "Upon the Governor notifying the place and date for the first sitting of a new Assembly pursuant to Standing Order 4 (*Proceedings on Assembly of a new Assembly*), the Clerk shall by notice in the Gazette notify that fact and invite interested persons to submit their nomination papers for election to the office of Speaker."

Hon. Members, vide *Gazette* Notice No.8395 dated 30th August, 2017, the Clerk of the County Assembly of Murang'a invited persons to submit their nomination papers for election to the office of Speaker.

Secondly, Hon. Members, Standing Order No.7 (5) requires that:-"The Clerk shall maintain a register in which shall be shown the date and time when each candidate's nomination papers were received and shall ascertain that every such candidate for election to the office of Speaker is qualified to be elected as such under Article 193 of the Constitution." I hereby confirm that a register has been maintained in accordance with the requirements of this Standing Order.

Thirdly, Hon. Members, Standing Order No.7 (6) requires that:-"Immediately upon the close of the nomination period provided for in paragraph (2), the Clerk shall;

- a) Publicize and make available to all Members, a list showing all qualified candidates and
- b) Make available to all Members, copies of the curriculum vitae of the qualified candidates. "

Hon. Members, I hereby confirm that a list showing all qualified candidates was publicized and was made available to all Members. I further confirm that I made available to all Members copies of the curriculum vitae of the qualified candidates.

On Friday September 1, 2017 at around 5pm the office of the clerk was served with a court order in the matter of Chief Magistrate court at Murang'a court petition No.1 of 2017, Hellen Ndiko Kagia, Mary Mbura Makau and Joseph Nduati Ngugi versus Independent Electoral and Boundaries Commission. Three petitioners obtained the following orders:

- 1) That notice be issued to the respondent of the petition immediately
- 2) That the respondent be served with the petition for mention immediately interparty on 12th September 2017
- 3) That orders to issue on prayer one should extend that it is pending further orders of the court.

- 4) That the notice to issue to the clerk of Murang'a County Assembly
- 5) That the executive officer to cause a copy of the petition to be filled with the Judiciary Committee' dealing with elections immediately.

For avoidance of doubt prayer one reads as follows:

"An order barring the swearing in of the nominees to the County Assembly of Murang'a until this petition is heard and determined"

Further the County Assembly is bound by the Constitution of Kenya, all court orders received are to be obeyed, failure to obey a court order is a serious offence in Kenya known as contempt of court, this Assembly shall therefore implement the said court order.

Section 3 of the County Governments Act, amendment Act No.2 of 2016 states as follows:

"(3) The principal Act, county government Act 2012 is amended by inserting the following new sections immediately after section 7: A County Assembly shall not be fully constituted for the first seating after a general election unless all the members provided for under paragraph (b) and (c) of Article 177 (1) of the Constitution have been dully nominated and their names published in the gazette.

(2) Sub-section one shall not apply where the nomination of Members of the County Assembly under paragraph (b) and (c) of Article 177 (1) of the Constitution is subject of a court order stopping or otherwise pending the nomination of the member.

(3) Despite sub-section one, a County shall be deemed and dully constituted for the first seating

Notwithstanding the death on or before the first seating of the County Assembly of a member nominated under paragraph (b) and (c) of article 177 (1) of the Constitution. The drafters of this Act seem to have had at mind the situation in Murang'a County Assembly today."

Pursuant to section 7 (a) paragraph two of the amended County Governments Act, this Assembly is fully and dully constituted.

The court order as read indicates that the nominated members of the county assembly of Murang'a s gazette by the Independent Electoral and Boundaries Commission vide *Gazette* Notice Vol. CXIX No. 124 dated September 28. Pursuant to article 177 of the Constitution 2010 are barred from being sworn in as Members of this County Assembly until the said petition is heard and determined.

Consequently the members of this County Assembly as gazette by the Independent Electoral and Boundaries Commission (IEBC) vide *Gazette* Notice Vol. CXIX No. 124 dated September 28. Pursuant to article 177 of the constitution 2010 are barred from being sworn in as members of this County Assembly until the said petition is heard and determined.

However, there is no order stopping the barring the swearing in of the elected members and we have just concluded that.

Pursuant to Standing Orders 7(6), the following persons were qualified when we closed the nomination period on Saturday at 9am to the Speaker of the County Assembly of Murang'a.

1. Charles Njuru Kihara
2. Humphrey Kimani Njuguna
3. James Nyutu Ngugi
4. Leonard Nduati Kariuki
5. Simon Mwangi Kamau

However the Court order in the Chief Magistrate court petition 1 of 2017 Hellen Ndiko Kigia and two others versus the Independent Electoral and Boundaries Commission have a major implication for the candidates for the position of Speaker of the county assembly. Standing order No. 7 (6) provides as follows:-

“The nomination papers of a candidate shall be accompanied by the names and signatures of at least two Members who support the candidate and a declaration by them that the candidate is qualified to be elected as a Member of Assembly under Article 193 of the Constitution and I willing to serve as Speaker of the Assembly.

The name of and Signature of one of the members who nominated Hon. Humphrey Kimani Njuguna and Mr. Charles Njuru Kihara for the Speaker’s position are nominated members, for Charles Njuru Kihara, he was proposed by Morris Thuku Gathoni a member elected by Democratic Party DP and seconded by Milkah Gathoni Ngari who is a nominated member of this Assembly through the Democratic Party.

Humphrey Kimani Njuguna was proposed by Samuel Kihurunjo Mwangi the Member for Gitugi who is an Independent Candidate and Lucy Muthoni Ngugi who is a nominated member from the Jubilee party.

All the nominated members have not been sworn in as members of the County Assembly. Consequently they cannot nominate any member for a position of the county Assembly. Therefore, the nomination of Humphrey Kimani Njuguna and Charles Njuru Kihara is consequently null and void.

The only validly nominated candidates for the office to the election of a Speaker are Joseph Nyutu, Leonard Nduati Kariuki and Simon Mwangi Kamau. For avoidance of doubt, Joseph Ngugi Nyutu was proposed by Zablon Machugu Nduati the Member for Nginda and seconded by the Member for Kamahuha, James Karanja Kabera. Leonard Nduati Kariuki was proposed by David Irungu Macharia member for Kambiti and seconded by John Ruoho Wangechi from Kinyona who is an Independent candidate and Simon Mwangi Kamau was proposed by Stanley Mburu Muhia from Makuyu from the Democratic Party and Peter Mburu Muthoni who is the elected member from Kagundu-ini Ward Jubilee party. All the members that I have read for this candidate have been sworn in and therefore they are members of this house.

Pursuant to Standing Order 7(3)6, only the three candidates shall appear in the ballot paper. Pursuant to Standing Order number 10, a candidate may by written notice from the Clerk can withdraw his or her candidature after the close of nomination period before a ballot is stated. We want to categorically state that none of those candidates that I have mentioned have withdrawn and they are still in the race.

Standing Order number 8, provides that the election of the Speaker shall be under Secret ballot. We shall now proceed to the ballot for the election of a Speaker. Standing Order

number 8 paragraph 2 says that the Clerk shall at the commencement of this ballot cause the ballot box, empty and unlocked to be displayed to the Assembly and shall in the presence of the Assembly lock the ballot which shall thereafter be kept in full view of the Assembly until the conclusion of the ballot.

Honorable Members, I want to draw your attention to Standing Order number 8(4) of the Standing Orders of this Assembly, it reads as follows;

“for the purpose of paragraph 3, which I am about to read a member who have appended his/her signature pursuant to Standing Order number 7 (3) shall be deemed as having elected that candidate and shall be excluded from voting but his/her vote will be added to the votes of the said candidate.”

For your information, Standing Order number 8 (3) requires that the Clerk shall issue not more than one ballot paper to each Member who comes to the Table to obtain it and each member who wishes to vote shall proceed to the booth on my right or the designated area provided by the Clerk for that purpose and located next to or within a reasonable distance from the ballot box and shall while there mark the ballot by placing a mark in the space opposite the name of the candidate for which the member wishes to vote, fold the marked ballot paper before leaving the booth area and place the folded ballot paper in the ballot box. We do have a booth in the prescribed format. The booth is from the Electoral and Boundaries Commission and the Ballot Box as you see it here. The polling booth is on my right, pursuant to this Standing Order, I now direct that a ballot paper be issued to each member who comes to the table to obtain it.

To facilitate this process, the name of the member shall be called out, the Member shall come to the Table, the Table is where the Clerks are, and obtain a ballot paper. Each member shall then proceed to the booth, which is clearly marked.

While there, mark the ballot paper and fold it. The member will then place the marked ballot paper into the ballot box. We are now ready and we shall commence the voting. I ask the Sergeant at arms on that end to come to the side, that area should be free of everybody. Members, we shall walk at the right hand side of the booth, mark the ballot and proceed to the ballot box. We shall now commence the voting process.

## **8. ELECTION OF THE SPEAKER**

The ballot box was then opened and displayed to the assembly and subsequently locked before voting commenced thereon.

At the conclusion of the voting, the Clerks at the Table counted the votes at the Table of the Assembly, in the presence of the following Members of the County Assembly who were witnesses for the respective candidates:-

1. Hon. Zablon Machugu Nduati – representing Mr. Joseph Nyutu Ngugi
2. Hon. David Irungu Macharia – representing Mr. Leonard Nduati Kariuki
3. Hon. Hon. Stanley Mburu Muhia – representing Mr. Simon Mwangi Kamau

The Clerk announced the results of the first ballot as follows:

<b>NAME</b>	<b>VOTES</b>
1. Joseph Nyutu Ngugi	11
2. Leonard Nduati Kariuki	19
3. Simon Mwangi Kamau	05

And there being no candidate obtaining the required two thirds majority of 23 votes; Hon. Members proceeded to cast a second ballot pursuant to Standing Order No. 9(2), in which case only Leonard Nduati Kariuki and Joseph Nyutu Ngugi were candidates.

At the conclusion of the voting, the Clerks counted the votes at the Table of the Assembly, in the presence of the following Members who were witnesses for the respective candidates:-

1. Hon. Zablon Machugu Nduati – representing Mr. Joseph Nyutu Ngugi
2. Hon. David Irungu Macharia –representing Mr. Leonard Nduati Kariuki

The Clerk announced the results of the second ballot as follows:

<b>NAME</b>	<b>VOTES</b>
1. Joseph Nyutu Ngugi	14
2. Leonard Nduati Kariuki	21

The Clerk thereupon declared Leonard Nduati Kariuki duly elected Speaker by majority votes. Consequently, Leonard Nduati Kariuki was escorted to the Chamber of the Assembly by the Sergeant-at-Arms;

Thereupon, the Clerk administered the Oath of Office to the Speaker; The Speaker submitted himself to the will of the Assembly and gave the following communication.

#### **9. COMMUNICATION FROM THE CHAIR - ACCEPTANCE SPEECH BY THE SPEAKER**

The Speaker, having been sworn in, proceeded to give his acceptance speech in the following Communication from the Chair–

Hon. Members of the County Assembly of Murang'a(MCAs), the Clerk of this County Assembly, your excellencies, representatives of political parties present, members of clergy, members of staff, members of the press, distinguished ladies and gentlemen; First, I thank God the Almighty for this great favor He has reposed in me.

Hon. Members, I am greatly humbled, honored and highly privileged by your wise decision to elect me as the Speaker of the County Assembly of Murang'a. I hereby humbly submit to the will of this Hon. House and thank you all for believing in me.

Through the just concluded democratic process, you have bestowed on me immense confidence and trust; rest assured that I do not take it for granted. I see myself here as a blessing to this second Assembly, albeit with great responsibility; to my worthy opponents, thank you for upholding a high degree of democracy.

I have to thank the Clerk of this Assembly, for professionally guiding this House during the on-going transition period. His priceless and unconditional counsel will further be valued in future. There is no doubt, whatsoever, that a lot of effort has been put towards making this historic day a success. We cannot ignore the reflection of the hard work put in by all the stakeholders, especially the members of staff of this Assembly.

Hon. Members, for the last few months, our country has witnessed a highly competitive electioneering period. Campaigning is not easy; selling one's manifesto is expensive and demanding. Allow me, therefore, from the very beginning, to convey my sincere congratulations to the entire membership of this House for your successful election.

On 8th August 2017, Wanjiku's voice was loud and clear; that she has entrusted you, Hon. MCAs; to be her representatives in this Hon. House for the next five years; that mandate is enshrined in the Constitution of Kenya, 2010. Once again, Hongera- congratulations for winning your seats.

Allow me to, on that note; recognize Members of the first Assembly who clinched back their seats. This will be their second term as ward representatives; we have Hon. Isaac Kamote representing Wangu ward, Hon. Erick Kamande representing Kahumbu ward, Hon. Peter Muriigi representing Muruka ward, and Hon. Peter Mweri representing Rwathia ward, I trust that these experienced ones will mentor the up-coming MCAs.

For us all, it is a unique opportunity to serve our dear county. I look forward to maximizing the opportunities for every Hon. Member to contribute. I believe that I have been placed on this platform so that every Hon. Member can catch my eye; that is the term we use; you catch the Speaker's eye before you speak.

I, therefore, pledge to be fair to all and seek your understanding in advance for every ruling that the Chair will make, as provided for by the standing orders of this House. This is a House of Rules and Procedure.

I need to caution the new entrants that the highly procedural nature of County Assemblies calls for an equally high level of commitment to the rules and procedures of this institution.

Hon. Members, in exercise of the powers conferred by Article 124 of the Constitution of the Republic of Kenya, and section 14 of the County Governments Act No 17 of 2012, the First Assembly of Murang'a County, by resolution, adopted the standing orders that we have been provided with. I encourage all of us to internalize the standing orders and make a personal commitment to always abide by them.

Prepare and present issues of interest as guided by those rules, apply the debating time well; your brilliant visibility will ultimately affect your re-election. I look forward to, not a vociferous House; but a serene, composed and a House of healthy debates.

I will meet with various leadership of Murang'a and seek support of the experienced lawmakers to help you deliver. Scholars opine that a comprehensive mentoring and induction process is vital for improved performance. I second that serious learning will therefore have to be undertaken to sharpen your debating competencies in order to function optimally.

Hon. Members, every one of you is in this Hon. House as provided for by Article 177 of the Constitution of Kenya. Under my leadership, this Chamber will develop systems and values of high discipline, tolerance, accommodation, honesty and openness.

To the majority, as you are aware, we have an Assembly that is heavily dominated by you. However, we also have with us Hon. Members who clinched their seats as independent candidates. I caution the majority, who won their seats through the Jubilee ticket that there is need to be guided by high ethical consideration so that we do not relapse into ultra majoritarianism, a trait of the tyranny of the majority. In the National Assembly, they call it the tyranny of numbers.

To those who may feel that they belong to the minority, even though most parliamentary business is organized on majoritarian principle, the time-honoured rights of minority to transparent, open, frank, fair and honest debates so as to make your case and offer constructive alternatives will be valued under my stewardship.

All of you, irrespective of gender, religion, party affiliation, age or tribe, must be guided by the mandate given to the government; to establish a vibrant society anchored on the principles of fairness and equality of opportunities.

As the legislative arm of this county government, we will be expected to offer the requisite inspiration, guidance and confidence. Therefore, it is our duty to conduct ourselves with decorum, consistently observe the due processes and uphold the rule of law, legality and the culture of constitutionalism.

Allow me, Hon. Members, to note that in the previous Assembly, we had three elected female MCAs out of a total of 35 elected Hon. Members. Today we have two female MCAs-elected and I congratulate them for being elected.

Very sad; I am deeply concerned about this tragedy, there is really no cause for rejoicing at that because it is a clear indication that our county is far behind the world in the affirmative action. Even as we agree that the Affirmative Action law is one of ways of using the law as an instrument of social engineering- and mischief correction- to ensure equality, our democratic development is not impressive at all in this regard.

Nonetheless, I particularly want to acknowledge and applaud Hon. Mary Waithira, a former nominated Member of this Assembly and now the newly elected Member of Parliament representing Maragua constituency.

It shows that Members of this Assembly can develop from being Members of the County Assembly to being Members of Parliament and even Members of the Senate. Hon. Mary Waithira is a true reflection of the audacious women who are successful in the high strata of the male dominated political arena. This County Assembly prides in having created a platform

that shaped the sharp debating competences, strong oversight and legislative skills posed by Hon. Mary Waithira.

We wish her God's blessings as she undertakes her new mandate; in fact, many people who have visited this Assembly in the past have acknowledged that the level of debate in this Assembly is sometimes higher than the level of the debate in the National Assembly, and that is a fact. I hope that will continue.

My plea, therefore, is that the female MCAs who are in this Assembly, be assisted to become effective role models in qualitative governance. I have some ideas I will share with the leadership towards realizing that objective as time goes by.

Indeed, there is a compelling need for a comprehensive study of the factors which militate against the effective representation of women in our County.

The story of Hon. Mary Waithira should be an encouragement to all the MCAs seated here; that they should execute their roles in this Assembly with passion and without fear or favor. This County Assembly could be the stepping stone to your next big dreams and immense opportunities even at personal level.

A question worth asking is: what do the people expect from the MCAs? There is growing evidence that, public opinion is divided as to the role of MCAs in Kenya. A significant majority of Kenyans are of the view that MCAs should undertake development projects within their Wards. To others, MCAs exist to pay school fees, give funeral donations,- I am sure we have seen all these, and attend weddings and other social events.

Of concern is that debating, passing legislations and holding the County Executive Arm of Government to account rank low in the public perception of the role of MCAs. This accounts for the high attrition rate of MCAs across the Country. To counter this, I envisage a scenario whereby the Hon. Members of the Second County Assembly will take public participation exercises seriously and use such forums to help the masses understand on their key roles. In addition, I welcome the media to help in documenting and airing issues debated on the Floor of the House and in the Committees to create awareness, especially of the agendas before the House at any given sitting. On that note, Hon. Members, and as you assemble here today, it is important to have a discourse on the re-establishment of the County Assembly with a sense of history. The first Assembly existed after promulgation of the new Constitution of Kenya, 2010, and inception of devolution. There are 47 Counties in Kenya; hence we have 47 County Assemblies.

Each County Government has two Arms of governance; the Executive arm that is responsible for implementation of projects and the legislative arm to which you belong. The independence of the County Assemblies was conceived with the intent to accomplish the following roles; oversight, representation, legislation and budget making. That is your core mandate as provided for by the Constitution of Kenya.

Under Article 185 of the Constitution, the legislative authority of a County is vested in and exercised by its County Assembly. In addition, a County Assembly, while respecting the principle of separation of powers, exercises oversight for the County Executive Committee and

any other Executive organ. I hasten to urge you to exercise high levels of integrity as you play your oversight role.

Further, I look forward to a House that will enact laws that are constitutional and that will stand the test of time. Undoubtedly, promotion of good governance will require an Assembly that will effectively perform the three cardinal functions of representation, oversight regarding the executive, and law making. As for budget making process, your ability to control public expenditure, within the Regulations of the Public Finance Management Act (PFM), will be good service to our people.

Hon. Members, I am not under any illusion as I take the mantle of leadership of this House. The responsibilities ahead of us are enormous and challenging. The great expectations before us require exceptional commitment, focus, harmony and unity of purpose. The people of Murang'a anticipate for better lives under the devolved system of governance; hence there is no other option for us but, really, to succeed. As a matter of fact, devolution is envisioned to be the onerous challenge to take power and resources to the people.

Hon. Members, the key challenges in Murang'a County remain poverty, unemployment, poor road infrastructure, water shortage and lack of enough rural polytechnics. Others include lack of post-modern Early Childhood Development Centers, under-utilized cultural, trade and tourism diversity, and lack of health facilities, among others.

Allow me to remind you that that the Kenyan Vision 2030 which is the country's development blueprint aims at transforming Kenya into a new industrializing middle income country providing high quality of life. We have an obligation, therefore, to ensure that we make a contribution to this particular vision, especially in realizing the potential to promote growth and development at the Ward levels and to stir our rural economies. As an Assembly, this is only possible if we enact laws that will be tailored towards realizing the vision 2030 at the Ward levels. The Motions and Reports you adopt should reflect those goals and the devolved functions.

The First Assembly sought to establish its role as a key oversight public institution, despite facing myriad teething challenges. Strides were made and we congratulate them for the many Bills they enacted and the many Motions and Reports they adopted. Allow me to submit that Rulings of Speakers in the past will be captured to serve as guidance and precedents for the smooth operation of the House because institutions grow scientifically, systematically and with responsibility.

Nevertheless, a huge task still remains ahead of us and I trust we shall rise to the occasion. Hon. Members, the capacity and scope of the Committees of the Assembly deserve attention; they are the workshop of this Assembly. Should the Committees be weak, this Assembly will be seriously dented. Not only should your Committees be sharp in their routine tasks, but also, they should be vibrant and exercise singular initiatives in enquiring into all matters of public interest impartially. This inquisitorial power must be applied to its logical conclusion.

Through the Committees, I welcome all the Members to act within the law, proactively, responsively and with appropriate capacity on all the devolved functions, namely, issues relating to health, ECDE and polytechnics education, agriculture, access roads, tourism, revenue collection, cooperatives, forestry, trade, among others.

In conclusion, this County Assembly is for the people of Murang'a; we have to be honest, accountable, and responsive to their needs. We are true to the fact that there is need for a modern Chamber, committee rooms, library, among other essential structures that will create a parliamentary environment that is accessible, secure and transparent; I urge for your patience and understanding as that exercise is still going on.

Going forward, I believe that, together with the County Assemblies Forum (CAF), the Council of Governor's (COG), and the Societies of Clerks at The Table (SOCATT), we will unite in seeking the needed assistance for MCAs to, especially, improve their working conditions and welfare. It is very important to improve the welfare of MCAs; we should seriously better the lot of our MCAs.

Hon. Members, you enjoy immunity while on the floor of the House and immerse privileges which cannot be toyed with by any person, body or authority. I shall help to maintain this without fail, but allow me to quote our fore fathers who asserted that, "...to whom much is given, much is expected..." This dictum must guide us all because privileges come with responsibilities. If you abuse the trust, there will be consequences. A law maker cannot be, at the same time, a lawbreaker.

For example, charges of corruption and abuse of offices have been witnessed in the past against individuals in our country. That is why, at this earliest opportunity, I caution you against such vices. If you fall foul of the law, the set aside institutions mandated with tackling such issues will not be expected to spare you.

Our attitude will reflect our end results. For instance, our punctuality and attendance to the businesses of this House will be critical towards realizing our objectives. Indeed, and as I said earlier, it is our duty to conduct ourselves with integrity, decorum, consistently observe the due processes, uphold the rule of law, legality and the culture of constitutionalism.

Hon. Members, let us resolve to do something different in the lifetime of this Second Assembly. I urge for cooperation from all and sundry to make our stewardship a success. Allow me to halt my speech with a few lines that I borrow from the poem "If" by Kipling Rudyard, who incorporates words with profound meaning and inspiration to illustrate leadership attributes within a framework of character, integrity, courage, selflessness, stamina, composure, selfefficacy and accountability. I urge that you bear with me even if you are the type that enjoys, not, poetry, "If you can keep your head when all about you, Are losing theirs and blaming it on you, If you can trust yourself when all men doubt you, but make allowance for their doubting too; If you can talk with clouds and keep your virtue or walk with kings-nor lose the common touch, if neither friends nor foes can hurt you, if all men count with you, but none too much, if you can fill the unforgiving minute with sixty seconds' worth distance run, yours is the earth and everything that's in it, and- which is more- you'll be a man, my son!"

Thank you Hon. Members, God bless you all; God bless the County of Murang'a. But, before I end completely, I would like to take this opportunity to say that as far as I can see, this is a new beginning for Murang'a. We have sorted out a lot things that caused turmoil in the last Assembly. I must say that the plans that His Excellency the Governor, who is here with us, has for this county, if backed by you, while at the same time observing the principles of separation

of powers, this county will be one of the top counties in five years' time; the plans are great; the major objective here is to uplift Wanjiku.

If we can take the Governor's words when he took his oath that he wants to increase the income of each and every household in the county, and if we can achieve that, all of you will be re-elected.

If that can happen in every ward, I can guarantee you that all of you will be elected back. Therefore, let us not allow the kind of turbulence that was seen in the last Assemblies, not just in Murang'a but over the country; there was constant fighting and turbulence between the Executive and the Assembly.

We are all working for Wanjiku, if we disagree, let us do so honestly and with reasons. Stand for your right but let your right be guided by reason and what is just and proper for Wanjiku.

Hon. Members, having said all that, there is no further business today and this House now stands adjourned until such date as shall be notified, which will be very soon as there is a lot of work to be done. That date will be the next one of the House. God bless you. Thank you very much Hon. Members.
