6* NOTICE OF MOTION - MURANG'A MUNICIPALITY WATER SERVICE PROVIDER

(Hon. John Mwangi Kamau, MCA Nginda Ward)

Aware that, every Kenyan has a right under Article 43 (1) (d) of the Constitution of Kenya 2010 to clean and safe water in adequate quantities, Further aware that, under Section 101 and 158 of the Water Act 2016, the Regulatory Board has the power to act on a complaint made or information received by the County Government Executive or the Regulatory Authority that any licensed water body has failed to give an adequate supply water, Informed that Nginda Ward harbors the most sources of water, yet residents cannot access even one litre of clean water on a daily basis, due to irregular rationing and blatant wastage of this precious commodity under the watch of the existing water service provider, Cognizant of the fact that residents of NGINDA WARD are struggling to access water services from Murang'a South Water and Sanitation Company Limited (MUSWASCO) with the commodity being received with silt sediments, which could trigger issues of sanitation and water borne diseases, Noting that the company has the obligation to provide the area with clean and safe water yet they have failed to deliver on their mandate; this House urges the County Executive Committee member for Water and Irrigation to;

1. Appoint Murang'a Water and Sanitation Company Limited (MUWASCO) as the new service provider for MURANG'A MUNICIPALITY.
2. Include the activity in the County Integrated Development Plan 2023 – 2027.
3. Undertake institutional partnership with other service providers Pursuant to the Water Act, 2016 to satisfy the needs of MURANG'A MUNICIPALITY residents
