AWARE, that public land shall vest in and be held by a County Government in trust for the people resident in the County as stipulated in Article 62(2) of the Constitution of Kenya 2010, further aware that Murang'a County is marred with numerous cases pertaining to illegal and irregular allocation of public land and challenges in identification of the same, noting that the County Government require land to develop infrastructure for public services, cognizant of the fact that land is an emotive issue in Kenya and there must be enlisted public participation to ensure that public land is protected and reserved for public purposes; **this** House urges the County Executive Member for Land, Housing and Physical Planning to-
