7* COMMUNICATION FROM THE CHAIR

You heard it. Hon. Members before we move on, we just cannot go on like this and I will ask the House Business Committee next time they meet to formulate what kind of disciplinary action should be taken against chairmen who have answers or statements to respond to and either they continuously come to the House without the answers or like today absent themselves because, I regard coming late as absconding or absenting oneself, when one knows that he has business in the House.

(Applause)

I think we must be seen to be serious and we must start thinking of what kind of disciplinary action should be taken to such members, thank you, next.
