**6\* NOTICE OF MOTION - (Chairperson, Delegated County Legislation Committee)**

**THAT**, this Assembly adopts the report of the select Committee on Delegated County Legislation on '**The Public Finance Management (Murang'a County Assembly Mortgage (Staff) Scheme Fund Regulations), 2016**' laid on the table of the Assembly today Tuesday September 20, 2016.

**7\* NOTICE OF MOTION - (Hon. Charles M. Kirigwi, MCA, Kinyona Ward)**

**AWARE**, that crop husbandry is a devolved function as stipulated in the Fourth Schedule of the Constitution of Kenya, 2010, further aware that the recently opened first fertilizer blending plant in the Country and based in Eldoret was scheduled to start operations in August, 2016, cognizant of the fact that the Country is set to save Kshs. 3 billion annually upon its completion as it will no longer import fertilizer by the end of its one year operation and that the factory will address perennial shortage of the crucial farm input resulting from late imports that has seen some growers delay planting recognizing the fact that local manufacturing plant will be sensitive to soils and crops as it will produce fertilizers based on specific requirements; **this House** urges the County Executive Member for Agriculture, Livestock and Fisheries to;

1. Initiate soil testing exercise in the County to address high soil acidity menace and nutrients deficiency in the soils which has led to fall in production of crops such as tea, coffee and bananas.
2. Compile a report and document the results of soil tests exercise requirements for County base on different Agri zones.
3. Consider the test when procuring County fertilizer needs from the factory so that it manufactures fairly composed County fertilizer to be sold to farmers at subsidized prices that will mainly boost production of the said crops.
