STATEMENT

RESPONSE ON MILK

Hon. Joseph Machiri: Thank you very much Mr. Speaker. I am humbly requesting for more time because we have done halfway on the response.

ADJOURNMENT

The Speaker: Hon. Members this is very serious because it was the same in the morning, same this afternoon and maybe the same tomorrow afternoon. The House has no business whereas there are several reports at the committee stage where the committees have not adopted them and brought them to this House.

I urge the committees who have been going out to deliberate on the issue and that they should bring these reports to this House. We are not going to allow any more meetings by the committees that have gone out and they have not brought any report out of their meeting.

The House is now adjourned until 2:30 p.m. tomorrow.

The House rose at 2:37 p.m.
